Dear Parents / Carers,

**Stage Information Sessions—Tuesday February 19**
We hope you can attend our Information Sessions on Tuesday February 19. These sessions will be conducted in stage groups to ensure that the same information is being provided to all classes within that stage. The stage supervisor and classroom teachers will be in attendance. We would appreciate if you could make alternate arrangements for your children as supervision cannot be provided. During the sessions we will be discussing class routines, homework expectations, stage units, excursions and planned activities. Teachers will not be available for individual interviews at the time. We hope you will take the opportunity to attend the sessions.

**Scripture in School**
The Department of Education and Communities has a policy in schools where Special Religious Education is taught by trained volunteers on a weekly basis for 30—40 minutes. We are very fortunate at Warnervale to have an enthusiastic and dedicated team of volunteers who teach Scripture each Wednesday. All children are placed in a Scripture group based on the information that you provide in your enrolment form.

We have Bahai, Catholic and Protestant Scripture available at Warnervale. If you do not wish your child to attend Scripture you need to write a note to your child’s class teacher expressing your decision. Scripture this year will commence next Wednesday. 3—6 classes will attend Scripture from 10.15—10.45 am and Kindergarten—Year 2 will attend Scripture from 10.45—11.15 am. There is always a class teacher in the room at all times. If you choose for your child to attend non Scripture they will be supervised and have appropriate revision work to complete.

**3 pm Safety—Pathway to classrooms**
It is vital we maintain strict levels of safety, not just on the surrounding roads but also in the school grounds themselves. Classrooms are located a fair distance from the main administration and quadrangle areas.

In the afternoons parents are requested to wait in the COLA / asphalt area, basketball court or outside the gate on Warnervale Rd for their children. NO waiting is permitted outside classrooms.

Please DO NOT wait on the pathway or the classroom steps of the new demountable classroom. The main pathway is very crowded with waiting parents, pre -schoolers and prams and I am concerned that an accident may occur. This is a safety requirement as all children will be leaving from the same main pathway. The pathway needs to be clear at all times to allow access.

**Assemblies**
Our assemblies will be held on Mondays at 2.25 pm. Next week we will hold a 3—6 assembly, the following week a K—2 assembly. The assembly roster will be on the website for you to plan your attendance. Assemblies are the one formal occasion each week where we congratulate and recognise the achievements of students.

We ask that you support us by ensuring that toddlers are well supervised and we also ask that you turn mobile phones off and remain seated for the duration of the assembly.

Regards,

Ms Jill Carter
Principal
