Stranger Danger

At Warnervale students are regularly reminded about the need for awareness and the importance of personal safety and the safety of others. Teaching children about Stranger Danger also remains an important responsibility for parents. Please use this short list below to open up a discussion with your children.

What to tell your child about a stranger:

- Tell your child not to listen to or be near a stranger—rather to move away or back inside.
- Tell your child to never ever go with a stranger—no matter what the stranger says.
- Tell your child that strangers may make up sad stories, like looking for a lost pet, needing help with a sick child, or needing directions.
- Tell your child that strangers may offer treats, gifts or lollies for ‘helping’.
- Have your child make sure an adult they trust knows where they are at all times.
- Encourage your child if they have to walk by themselves somewhere to walk near busier roads/streets.
- If ever frightened, tell your child to go into a ‘safe place’ like a shop, police station or school and NEVER get into a car with someone they don’t know.

Planning 2015

Planning for 2015 is well underway. If your child is not returning to Warnervale we need notification in writing addressed to the Principal. All parents / carers who have boys in Year 2, 3 and 4 will today receive an Expression of Interest note regarding a Boys class for 2015. Please read carefully and return the note to school if you wish for your child to be considered in this class.
