When sexuality is the question...

interrelate has the answers!

Many parents find it hard to discuss or answer questions relating to Sexuality Education. Every year, almost 40,000 students and family members participate in Interrelate Sexuality Education programs with specially books available for purchase during the courses.

We know how to help 'break the ice'. Interrelate programs are interactive, family focused and presented in the context of caring relationships.

Primary 1 Session  Where Did I Come From?
1 hour  Yr 3, 4, 5 & 6
In this session, children are eager to learn more about how their bodies work and the differences between males and females. This session extends their understanding of conception, fertilisation, foetal development and the birth process.

Primary 2 Session  Preparing for Puberty
1 hour  Yr 5 & 6
This program helps to prepare children and parents for the physical, social and emotional changes associated with puberty. Detail is presented on menstruation and wet dreams. Changing emotions and relationships with families and peers are addressed.

Your child will benefit from the information presented in the course.

The feedback is overwhelmingly positive. What parents have said about us:
