Homework

Will commence in Week 4. It includes Mathematics Websites (found on the school website), Spelling and Home Reading.

Absences

The school requires a note explaining the absence and this needs to accompany the student on their return. Please advise the classroom teacher of any long term absences. If students are arriving at school late or departing school early, they must be accompanied by a parent/guardian and signed in or out at the front office. Absence notifications can now be sent via our Tiqbiz App.

Mathematics

Mathematics Groups occur for at least one hour each day and cater for students and their individual needs and levels.

English

Daily session encompassing Writing, Guided Reading, Grammar, Comprehension, Speaking and Listening and Handwriting. Students in 1/2M, 2B, 2P and 2S are required to purchase a Spelling Mastery Book.

Home Reading

This will commence by Week 5. Parent helpers support the school by running the program, changing the readers etc. Each day your child needs to return the home reading pocket to school so the readers can be changed. If a reader is lost, a cost of $7 is payable to the school office.

We would like to extend a big welcome back to all our parents. Thank you for enabling us to share in your child’s life: we see this as a great privilege and look forward to a positive parent teacher relationship. If at any stage during the course of the semester you have any issues or concerns please feel free to make an appointment at our front office and we will address any issues that may arise.
